

Hot Off the Press: From the Student Council

We're throwing

The Ghostacular Dance

For this year's 2018 Halloween Social!

Happy Halloween, Sacred Heart! We would like to invite everyone to our 2018 Ghostacular Dance on **Wednesday, October 31st**. There will be separate primary and junior dances. This year all proceeds raised through our \$3 Spooky Purple Popcorn fundraiser will be shared between the Ontario Rett Syndrome Association and our Student Council. We are selling lots of popcorn, keep those donations coming! Remember that if you purchase 3 bags your name goes into a draw to win a pair of Kitchener Ranger tickets! Thank you for all of your support thus far!

Bringing it Back!

Once again, we will be supporting Reff4Rett and we will be having a purple category in our pumpkin carving contest it's called All Things Purple!

Keeping the Tradition Alive!

The Mystery Brew: We are bringing back the **Mystery Brew** where we dare you to guess what disgusting witches brew you're feeling. If you guess any of the ingredients correctly you win a little Halloween treat!

The Phantom Flash: The famous **Photo Booth** that

everyone loves to take photos in, is called the Phantom Flash this year. Students will be able to disguise themselves in various Halloween apparel and pose with their friends.

The Creepy Catwalk: You can strut your stuff down the

Creepy Catwalk, to show off your costume, be sure to sign up. We will be around to classrooms to ask for **5 volunteers**. There's usually a lot of enthusiastic volunteers so we will draw names if that happens! There will be a quick rehearsal for primary and junior/intermediate students on **Monday, Oct. 29th**.

The Pumpkin Carving Contest

Students are invited to bring in their already carved pumpkin to the school on the morning of the dance on Wednesday, October 31st between 8:30 – 8:45 a.m. We will be there to greet you and ask what category you would like to enter your pumpkin into as well as place your pumpkin onto the tables.

Category

1. All Things Purple (in honour of Rett Syndrome Awareness Month)
2. The Scariest Pumpkin
3. The Funniest Pumpkin
4. The Most Creative Pumpkin

Remember: Please pick up your pumpkin by the end of the day. All forgotten pumpkins will be disposed of by 3:30 p.m.

Sincerely, your Student Council,

President: Halaena Buenviaje

Secretary: Rachel Guddemi

Treasurer: Natalina Kultmatycky

Social Convenor: Katie Guddemi
