

Poinsettia Fundraiser

We are again selling poinsettias this Christmas. Ravensbergen greenhouses in the Niagara region are again our supplier. The flowers are sold through our school cash online and by each grade 8 student to help prepare for their year end trip to Camp Celtic. We are offering 6, 8, or 10" pots in either red, white, pink or marblestar. The money raised will offset the cost of each student's yearend trip. If you ordered last Christmas, you will remember how beautiful these plants were.

*Thank you for your support!
Mr. Pettifer and the Grade 8's*
