

April 2019

Easter is fast approaching, and we will be continuing our Sacred Heart Primary **EGG-Stravaganza Day** on **Thursday, April 18<sup>th</sup>** the Student Council will be hosting our annual activity.

**Holy Week is being celebrated by classroom teachers in a variety of different ways, leading up to the death of our Saviour.**

The Student Council activities are not how we celebrate Holy Week, but are meant to bring students together to gather and have fun. Grades 1-3 will be called to the library for fun activities.

The Kindergarten students will have their fun activities on **Tuesday, April 23<sup>rd</sup>** after Easter Monday.

All students from **Kindergarten - Grade 3** are invited to dress up on their spirit day, as Easter characters and show some Easter spirit!

**We can't wait to see everyone!**

**On behalf of the Student Council, have a great Easter!**
